

Supply List For Adult Beginning Painting

Instructor: Rachael Summers

Email: rachvh@gmail.com

As discussed in class, each week I will demonstrate different techniques and painting mediums, if you are not interested in using that particular medium you don't have to. You can work in any medium you wish, it is your studio time to work on what you please. After I do my demonstration of techniques, I can help everyone individually with the medium you are working in. The subject matter you draw or paint is your choice. Bring pictures, photos, objects, sketches or anything that inspires you. I will have my drawing books available. I can also set up still lifes (vignette of objects) for anyone that would like to work from life. I've listed the materials by the week on which I will be demonstrating that medium, so you do not have to purchase everything at once you can buy the materials just for the week if you'd like. We can discuss the following week's materials in class. Remember, you do not need to buy the supplies for mediums you are not interested in working in. Let's have fun!!!

March 28th - Watercolor Materials:

Paper- I highly encourage and recommend you get a watercolor block for paper. It is the pad of paper glued around the edges. It is so hassle free!

Otherwise 140 pound water color paper, ½" masking tape and a board to mount the paper on. This method you run the risk of paper buckling depending how wet you work.

Another option is 300 pound paper, it requires no mounting but is costly.

Water Container

Watercolor Brushes- 4 brushes variety of sizes or you can purchase a set.

Watercolor Paint Set

April 4th - Acrylic Materials:

Palette

Stretched Canvas or Canvas Board

Acrylic Paint- you can buy a set or individual tubes of: Cadmium Red, French Ultramarine Blue, Cadmium Yellow, Burnt Umber, Raw Umber, Yellow Ochre and Titanium White, Mars Black. Other useful but optional colors are Permanent Rose, Phthalo Blue, Cerulean Blue and Cobalt Blue.

Acrylic Brushes

Brush Soap (optional but good-keeps quality brushes in good shape)

April 11th - Oil Materials:

Stretched Canvas (no bigger than 18"x24" for art room storage purposes) or Canvas Board

Palette

Palette Knife

Odorless Turpenoid

Brush Soap

Brush Cleaning Container (spill-proof screw on lid)

Rags (T-shirt, shop rag, towel etc.)

Oil Painting Brushes- brush set or individual, minimum of 4 brushes sizes from ¼" to ¾" Get all flat or flat and filbert (oval and used for blending)

Oil Paints- a set or individuals of: Cobalt Blue, Alizarin Crimson, Cadmium Yellow Hue, Yellow Ochre, Burnt Sienna, Raw Umber, Viridian Hue, Cadmium red Hue, Titanium White. **The word Hue in the names of paints are the way some manufacturers denote that a synthetic pigment has been used to replicate the color of a traditional one.**
